

S2

Step up to better sound.

S2 speaker stands are the perfect addition to your desktop speaker setup. With 16° of vertical tilt, they ensure you experience the full range of frequencies your speakers have to offer. Each stand features multiple areas of foam padding to maintain stability and reduce vibration when your speakers are cranked up. Available in black and white finishes.

TECHNICAL ILLUSTRATIONS

IMPROVED SOUND

S2 desktop speaker stands let you get the most out of your speakers by tilting them 16° towards your ears, ensuring you never miss out on those higher frequencies.

REDUCED VIBRATION

Foam padding on the top and bottom of each stand helps to maintain stability and reduce undesirable resonance.

MINIMALISTIC DESIGN

Using as little material as necessary, S2's low-profile design keeps your desktop looking clean.

SOLID STEEL CONSTRUCTION

Premium build quality and ultra-stable design to keep your speakers in place.

THE PERFECT COMPANION

S2 desktop speaker stands measure 3.9" wide by 5.9" deep and are capable of holding 6 lb each. Use them with YU2, ORA or similarly sized desktop speakers.
